## **Greater Northwest Kansas Community Foundation**

### **Disclosure Statement**

The Annual Report is printed each year to allow the public to have an overview of the Foundation's activities. The IRS does require that our Form 990 be available to the public upon request.

Due to the size and complexity of the Form 990, there will be a \$45.00 charge, pre-paid, to cover copying and postage fees, or an electronic copy will be provided at no charge.
