

Greater Northwest Kansas Community Foundation

Disclosure Statement

The Greater Northwest Kansas Community Foundation Annual Report is printed each year to allow the public to have an overview of the Foundation's activities.

The IRS requires that the Foundation's Public Disclosure Form 990 be available to the public upon request.

Greater Northwest Kansas Community Foundation provides both the Annual Report and the Public Disclosure Form 990 on the Foundation's website.

Due to the size and complexity of Form 990, there will be a \$45.00 charge, pre-paid, to cover copying and postage fees, or an electronic copy will be provided at no charge upon request.
